Dear Vanessa Rotherham-Feath,

On behalf of the Chairman and Directors of St. John Council for Ontario, Congratulations on receiving your **10 Year Service Medal** to the Order of St. John.

Enclosed is your Service Medal and Appointment Document certificate.

Like many organizations that are recognizing the great work of individuals during these trying times, we too have had to adapt to the challenges that pandemic restrictions present.

Therefore, recognition traditionally presented at Council provincial awards ceremonies will be recognized virtually this year.

As part of an online "Member Engagement Day" to be held on Saturday October 17th, we will be hosting a virtual Council awards and recognition ceremony by videoconference in the afternoon of the 17th at approximately 1 p.m. At that time, we will publicly announce and recognize your Priory achievement and we have sent you your award in advance of that virtual ceremony, so that you can celebrate along with others, including those also being recognized that day. More details and links will be shared shortly.

Kind regards,

Clare Akintoye,
Manager, Community Services
